3. How do I add a new budget?

- Select the **Finance** module from the main menu.

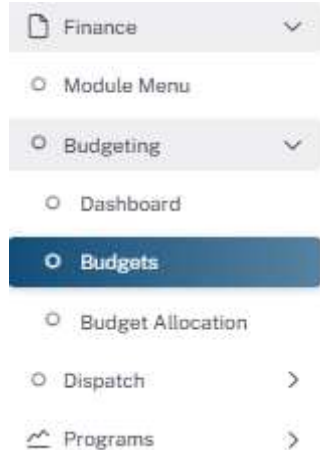

- Click the **Add New Budget** button.
- **Fill the Modal:** In the popup window, enter the necessary details, including, i.e **Project Name**, **Spending & Budgeting Currencies**, **Budget Dates** (and any other required fields).
- **Save Record:** Click **Submit** to save the budget to the system.

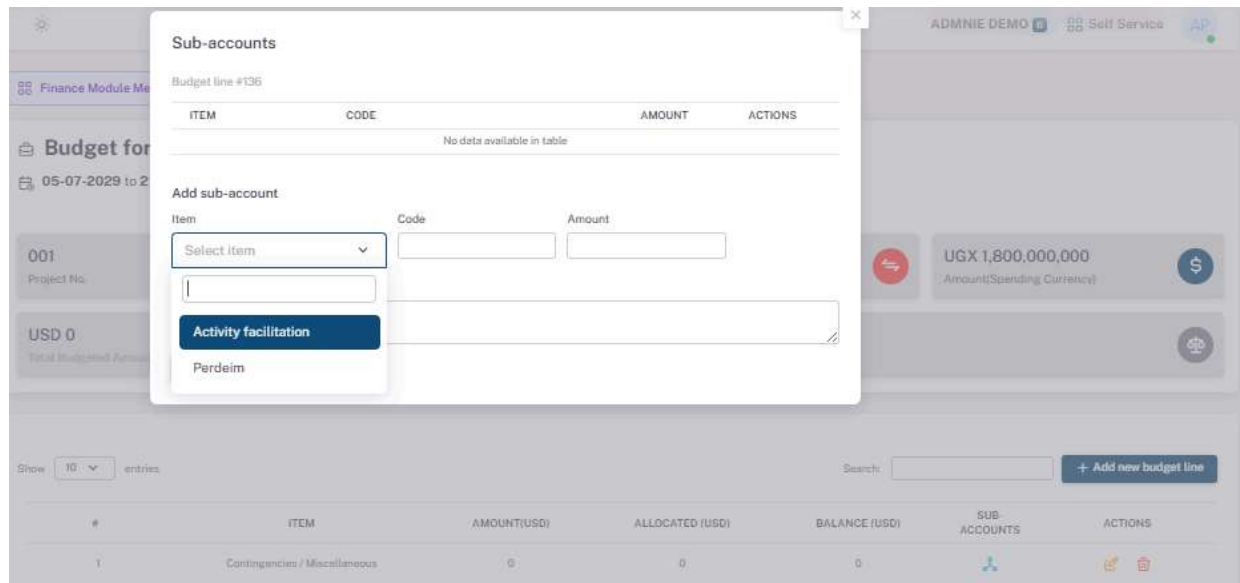

4. How do I add a new budget line to a budget?

- Select the **Finance** module from the main menu.

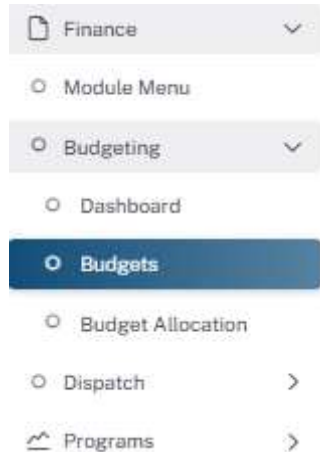

- Click the **Add New Budget** button.
- In the popup window, enter the necessary details, including, i.e **Project Name, Spending & Budgeting Currencies, Budget Dates** (and any other required fields).
- Click **Submit** to save the budget to the system.
- Once the budget opens, click **Add New Budget Line**, select your items from the dropdown, and click **Submit**.

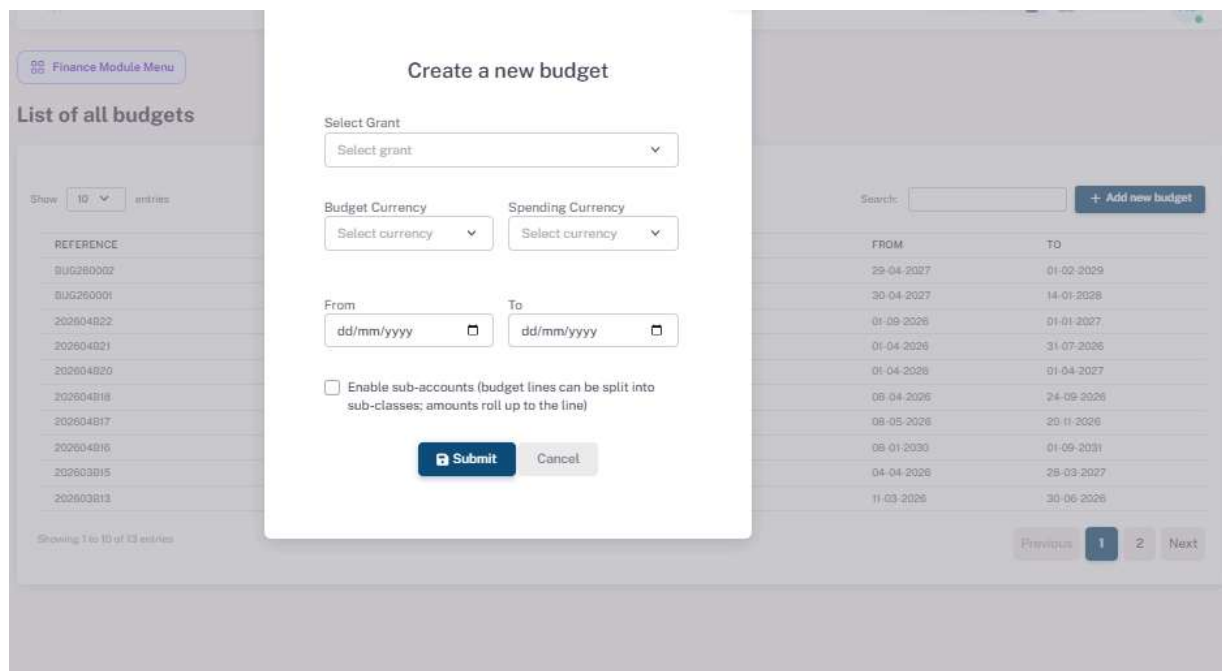

5. How do I enable sub-accounts?

- Select the **Finance** module from the main menu.

-
- Click the **Add New Budget** button.
- In the popup window, enter the necessary details, including, i.e **Project Name, Spending & Budgeting Currencies, Budget Dates** (and any other required fields).
- Click **Submit** to save the budget to the system.
-

- Check the **Enable sub-accounts** box to allow budget lines to be broken down into sub-classes later.
- Click **Submit** to save.
- Once the budget opens, click **Add New Budget Line**, select your items from the dropdown, and click **Submit**.
